(57) **CLAIM**

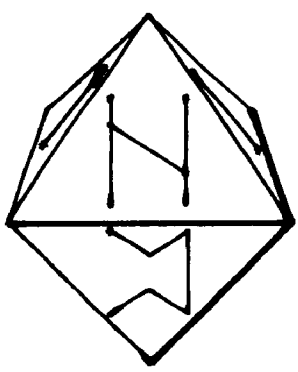

The ornamental design for a set of rune dice, as shown and described.

DESCRIPTION

FIG. 1 is an elevational perspective view of a rune die showing my new design;
FIG. 2 is a side elevational view of a top side thereof, shown broken away for ease of illustration;
FIG. 3 is a side elevational view of another top side thereof, shown broken away for ease of illustration;
FIG. 4 is a side elevational view of yet another top side thereof, shown broken away for ease of illustration;
FIG. 5 is a side elevational view of still another top side thereof, shown broken away for ease of illustration;

FIG. 6 is a side elevational view of a bottom side thereof, shown broken away for ease of illustration;
FIG. 7 is a side elevational view of another bottom side thereof, shown broken away for ease of illustration;
FIG. 8 is a side elevational view of yet another bottom side thereof, shown broken away for ease of illustration;
FIG. 9 is a side elevational view of still another bottom side thereof, shown broken away for ease of illustration;
FIG. 10 is an elevational perspective view of another embodiment of my rune die showing my new design;
FIG. 11 is a side elevational view of a top side thereof, shown broken away for ease of illustration;
FIG. 12 is a side elevational view of another top side thereof, shown broken away for ease of illustration;
FIG. 13 is a side elevational view of yet another top side thereof, shown broken away for ease of illustration;
FIG. 14 is a side elevational view of still another top side thereof, shown broken away for ease of illustration;
FIG. 15 is a side elevational view of a bottom side thereof, shown broken away for ease of illustration;
FIG. 16 is a side elevational view of another bottom side thereof, shown broken away for ease of illustration;
FIG. 17 is a side elevational view of yet another bottom side thereof, shown broken away for ease of illustration;
FIG. 18 is a side elevational view of still another bottom side thereof, shown broken away for ease of illustration;
FIG. 19 is an elevational perspective view of still another embodiment of my rune die showing my new design;
FIG. 20 is a side elevational view of a top side thereof, shown broken away for ease of illustration;
FIG. 21 is a side elevational view of another top side thereof, shown broken away for ease of illustration;
FIG. 22 is a side elevational view of yet another top side thereof, shown broken away for ease of illustration;
FIG. 23 is a side elevational view of still another top side thereof, shown broken away for ease of illustration;
FIG. 24 is a side elevational view of a bottom side thereof, shown broken away for ease of illustration;
FIG. 25 is a side elevational view of another bottom side thereof, shown broken away for ease of illustration;
FIG. 26 is a side elevational view of yet another bottom side thereof, shown broken away for ease of illustration; and,
FIG. 27 is a side elevational view of still another bottom side thereof, shown broken away for ease of illustration.
